

SC-4/35: Official communications

The Conference of the Parties

1. *Urges* Parties that have not already done so to nominate official contact points to perform administrative functions and handle all formal communication under the Stockholm Convention on Persistent Organic Pollutants for Parties;
2. *Invites* Parties and States not party to the Convention that have not already done so to confirm their existing national focal points or nominate new national focal points for information exchange;
3. *Takes note* of the list of non-governmental organizations that have not attended a previous meeting of the Conference of the Parties but have registered to attend the current meeting.¹
