

RESOLUTION BY ICCAT FURTHER DEFINING THE SCOPE OF IUU FISHING

(Transmitted to Contracting Parties: **March 22, 2002**)

RECALLING that ICCAT adopted at its 1999 meeting a *Resolution by ICCAT Calling for Further Actions Against Illegal, Unregulated, and Unreported Fishing Activities by Large-scale Longline Vessels in the Convention Area and Other Areas*;

RECOGNIZING that the International Plan of Action to Prevent, Deter, and Eliminate Illegal, Unregulated, and Unreported Fishing of the Food and Agriculture Organization of the United Nations establishes in Section 3.1 a clear definition of what constitutes IUU fishing;

MINDFUL of the need to ensure that actions taken to support ICCAT conservation and management measures are non-discriminatory and in accordance with international law;

THE INTERNATIONAL COMMISSION FOR THE CONSERVATION
OF ATLANTIC TUNAS (ICCAT) RESOLVES THAT:

Contracting Parties and Cooperating non-Contracting Parties, Entities and Fishing Entities shall take every possible action, consistent with relevant laws, to instruct their importers, transporters, and other concerned business people to refrain from engaging in transaction and transshipment of tunas and tuna-like species caught by vessels carrying out illegal, unregulated, and unreported fishing activities, which include, *inter alia*, any fishing not in compliance with relevant ICCAT conservation and management measures, in the Convention Area or other areas.
