

OEWG-10/11: Cooperation between the Basel Convention and the International Maritime Organization

The Open-ended Working Group

1. *Invites* Parties and others to submit comments on the revised draft guidance manual on how to improve the sea-land interface¹ to the Secretariat by 31 October 2016;
2. *Requests* the Secretariat to revise the draft guidance manual, taking into account the discussions at the tenth meeting of the Open-ended Working Group and the comments received in accordance with the previous paragraph, for consideration by the Conference of the Parties at its thirteenth meeting.
