2. The boundary line is shown on the map annexed to this Agreement.

Article 2

If any single geological structure or field of mineral deposit beneath the seabed extends across the boundary line and the part of such structure or field which is situated on one side of the boundary line is exploitable, wholly or in part, from the other side of the boundary line, the Parties shall seek to reach agreement on the manner in which such structure or field shall be most effectively exploited. Any question upon which the Parties are unable to agree concerning the manner in which such structure or field shall be most effectively exploited shall, at the request of either Party, be referred to third-party arbitration. The decision of the arbitration shall be binding upon the Parties.

Article 3

This Agreement shall not affect the legal status of the superjacent waters or air space above.

Article 4

This Agreement shall be ratified. The instruments of ratification shall be exchanged at Tokyo as soon as possible. This Agreement shall enter into force as from the date on which such instruments of ratification are exchanged.

IN WITNESS WHEREOF, the undersigned, being duly authorized by their respective Governments, have signed this Agreement.
