

V/11. Cooperation with the Organisation for Economic Cooperation and Development

The Conference

1. Notes the progress made by the Working Group on Waste Management Policy of the Organisation for Economic Cooperation and Development on the harmonization of the Control System of the Organisation for Economic Cooperation and Development with the Basel Convention;

2. Requests the secretariat of the Basel Convention to continue its cooperation with the Environment Directorate of the Organisation for Economic Cooperation and Development on matters pertaining to work on harmonization and information exchange;

3. Requests the Technical Working Group to provide guidance to the secretariat, as necessary, in regard to the secretariat's cooperation with the Organisation for Economic Cooperation and Development on the matter of harmonization of the Organisation's Control System with the Basel Convention.
